

Snow Nooze

Northern Lights Snowmobile Club

Message from the President.....

TRAILS ARE CLOSED.....Those are three words us snowmobilers hate to hear!!  Even though we have had some great events this season, trails have closed far too early. Here in Three Lakes we shouldn't expect spring to arrive until April...not the end of February!!!

It's time to thank all of the volunteers with Three Lakes Trails that work so hard at making our trails some of the best in the state. We want to thank the groomer drivers for the countless hours spent keeping our trails groomed to perfection.

Most riders don't know what it takes to maintain a trail system like we have here in Three Lakes. There is brushing, fallen tree removal, signing, billboard installation, map sales, groomer purchase and maintenance, and let's not forget our landowners. Without the generosity of our landowners we would not have trails to ride. Without our landowners giving us permission to link with other trails adjacent to Three Lakes, our local businesses would struggle in the winter.

We also want to thank all of the local businesses that supported us this season: Black Forest, Bonnie's Lakeside, 1st National Bank of Eagle River, Jake's Bar & Grill, Irish Waters, Northland Marine, Pine Isle Sports Bar & Grill, Sportsmans, Sunset Grill, Swendson Motorsports, Three Lakes Center for the Arts, Three Lakes Convenience Store, Three Lakes Hardware and Three Lakes Hub Scrub Car Wash.

Thanks to all of our members for making this year a great success!!

Grass Drags, Three Lakes Car Show and more.....

Our sleds maybe put away for the season, but there are plenty of snowmobile events to keep us busy this summer. There is a good possibility Three Lakes will once again have Grass Drags this summer. Mark Kirby is working hard to get the Park Board's approval for the *Vintage Drag Races* to be held August 7th, 2010 at Burnside Park (formally known as The Snowmobile Park). We will keep you posted as more information becomes available.

This year our club will be staffing the beer booth at the *Three Lakes Car Show* to raise funds for Three Lakes Trails. The show will be held at the Petroleum Museum on June 19th, 2010. This is an excellent show and we encourage everyone to come and enjoy.

If you like speed, you will love to see the boats racing against the radar gun on Big Stone Lake during the *Three Lakes Shoot-Out!* This event will be held on June 26th and is a fundraiser for the Three Lakes Fire Department.

Join us at Irish Waters for our
end of season
