Message from the President

Two weeks ago, Three Lakes experienced two days of high winds. Many of us were without power for anywhere from 2 to 4 days. The volunteers that do the fall trail clean-up had finished the previous week. Volunteers spent over 500 manhours clearing downed trees and brush. **The windstorm forced fall clean-up to start all over again.** Many large trees were blown down blocking trails. We want to thank all of the Volunteers from Northern Lights and Three Lakes Trails for the extra effort needed this fall. Much of the snowmobiling public don't realize how much time it takes to keep a trail system like we have in Three Lakes open for our riding season. Without their help, riding in the Northwoods would be much more challenging.

Club Christmas Party

The annual Christmas Party will be held on **Tuesday**, Dec. 14th at Bonnies Lakeside. Activities will start at 6:00 pm. Once again Bonnie is opening her restaurant for us on a night she is normally closed. This year our 50/50 will be expanded to include special items that you may want to put under your tree!! Plan on bringing a side dish, salad or dessert to share. The club will provide the meat and rolls. There will be a sign-up sheet at our November meeting or RSVP to Joyce as soon as possible—715-546-8372 or email joyce@northernlightsclub.com.

Please call the DNR Customer Service at 1-888-936-7463 to receive a Customer ID # and reserve a spot. Reservations can also be made at the local DNR office in Rhinelander. The safety class is open to the public so if you know of anyone that needs an operator's license, please encourage them to attend. The classes will be taught by the Oneida County Sheriff's Deputy's. It is an excellent class for all new riders.
