

Snow Nooze

Northern Lights Snowmobile Club

Message from the President

It's been a great summer in Three Lakes with warm weather, the Three Lakes Car Show fundraiser, another award winning float in the 4th of July parade, the Single best town in America celebration sponsored by Disney and Kraft foods and the return of snowmobile Grass Drags to the snowmobile park for the first time in more than 35 years. All of these events make Three Lakes a great place to live and play all year long.

This summer started out as a continuation of the severe drought we have been suffering here in the Northwoods. By midsummer, we moved into a wet pattern that has continued into the fall. Let's hope the wet pattern continues with the promise of great amounts of the white stuff we all love.

Car Show & Parade Recap

Our club was invited to sell beverages at the Three Lakes Car Show held in June at the Petroleum Museum just north of town.

We would like to thank Ed Jacobsen for the opportunity and his support of our club. If you have never been to the museum, it's well worth the trip. He is located on Route 45 across from Mollyville and on trail #11. Admission is free.

NLSC once again had an award winning float in the 4th of July parade. We lead a group of snowmobile drag racers and groomers. We were awarded 2nd place for our efforts again this year for our 'Single Best Town in America for Snowmobiling' float.

We have also launched our website complete with a trail cam which sits on top of the Sunset Grill on Big Stone Lake. We encourage everyone to visit often www.northernlightsclub.com. We'll do our best to keep it updated with late breaking news and pictures of events along with all of our newsletters, event calendar and membership forms.

Grass Drags Return to Three Lakes

A big thanks goes out to Mark Kirby and Ed Lamb for spear heading the return of Summer Racing to Three Lakes. Scott Swendsen and his crew served excellent food during the day. All proceeds will go to Three Lakes Trails.

Summer Racing hasn't taken place in Three Lakes in over 35 years. We hope many of you had a chance to stop by and enjoy the Vintage Racing.

We are looking forward to next year as plans are already in the works to expand the event.
