

Snow Nooze

Northern Lights Snowmobile Club

Message from the President

It's hard to believe summer has come and gone. In a few months, we'll be brushing off the sleds, filling up on fuel and hitting the trails. Fall is one of my favorite times of year, the fresh smell in the air, the crisp cool mornings and that ever present hint of winter not far away. I want to thank all the club members who worked hard at various fund raising events this summer. Taking time from one's busy schedule to support our sport is always greatly appreciated. Watch for trail changes to be announced in upcoming newsletters as well as some fun events our board is planning. Let's make the upcoming riding season fun and safe for all.

Summer—Parade & Fundraising

Our summer was full of fundraising opportunities. We owe Ed Jacobson a big thank you for inviting us back to sell beverages at the Three Lakes Car Show held at Ed's Petroleum Museum. If you haven't already, please stop by and visit the museum. Ed gives personal tours and the museum artifacts will wow you. Admission is free. Another word of thanks goes to John Olkowski for helping us with the beverages and donating all the ice.

We also sold burgers and brats at the post Shoot-Out party at the Harbor Campground and the Budweiser Clydesdale event. Thank you so much to Lori Dick, Bonnie Zienkiewicz and the other club members who pitched in and made it a success. We participated in the Three Lakes Parade again this year and even added some pretty personable homemade mannequins (stick men) to the float.

2nd Annual Vintage Thunder Grass Drags & Vintage Show

The Vintage Thunder Grass Drag event added a new twist this year. We held a swap meet and vintage snowmobile show. Racing was hot with the big winners being local's Ed Lamb and Bonnie Z. Food served was not your normal trackside food thanks to Scott Swendson and his crew. The show had 27 beautiful vintage sleds with Best in Show being awarded to Tom Nykolayko and his restored 1976 Rupp Magnum. Congratulations to all the winners. Thanks to Ed Lamb and Mark Kirby for organizing the event. In spite of a rain shortened event this year, it was a really great time.

Loon Saloon Hayride

The Loon Saloon is once again sponsoring the annual Three Lakes Trails hayride/bonfire fundraiser on October 8th. The hayride begins at 9:00 PM and runs to the Black Forest Pub and back with great raffle prizes to boot.

Quite an Honor

All of us have grown to appreciate riding groomed trails. Most riders don't know what it's like to spend hours in a groomer chugging along at a mere 8 – 10 miles per hour. NLSC is proud to announce that one of our very own has been chosen as the AWSC Groomer of the Year. This competition is statewide so this award is special. The NLSC Board had nominated George Brunette as Groomer of the year and this past August he was selected over a very talented and dedicated field of candidates.

George is a very dedicated groomer. You'll often see him on the Kimball Creek trail at night which takes up to 16 hours to groom. We are proud to have George grooming our Northwoods trails. The Groomer of the Year award will be presented to George at the AWSC fall workshop in Steven's Point in November. Congratulations George. Great Job..!!!
